

## EDUCATIONAL VIDEO

# NEUROANATOMY OF THE PELVIS FOR SURGICAL DISSECTION

### SCIENTIFIC COMMITTEE:

Prof. D. Querleu, Dr MM. Ianieri, Dr N. Bizzarri, Dr A. Rosati,  
Dr C. Conte, Dr E. Perrone, Prof. G. Scambia

### DESCRIPTION

This *educational video*, obtained from a cadaveric dissection, in our "**Cadaver Lab**", in collaboration with Prof. Querleu, is focused on pelvic neuroanatomy and aims to be a clear, useful and reproducible tool for the study of pelvic surgical neuroanatomy, not only for surgeons who deal with oncology or deep infiltrative endometriosis, but for all those, who deal with pelvic surgery.
